LINE CLOSED

FIRST SUNDAY . . .

Summers are long — in May not long enough, in July, too long. August always comes and school always begins before anyone seems to be ready. Everyone thinks about the beginning of the semester and suddenly it's there with many questions still unanswered. Standing in front of a dorm, two thousand pounds of necessary clothes and supplies piled into each corner of a sagging car. Within five minutes the car is blocked in, the paper bag which held curlers has broken and the check-in line is still stretching toward infinity. What a crazy place this is.

THE FIRST WEEK

Ever notice how the first week of school is the strangest? Even the weather is confused — not summer, not fall, like nature in limbo, hesitant, undecided which way to go. People all around, wanting to be friendly, but not quite knowing how to go about it. What form do you use to say hello?

The first week of school — grubs, shoes hot against the sidewalks, the soft swish of pants brushing the ground, warm days, and trees alive, carrying the wind. Sometimes it gets to be so much you just have to sit down and think.

The first week of school — sit, think, talk, laugh. Then it starts . . .

REGISTRATION

August 1971
January 1972

Good grief . . . etc.

August, 1971 — 7:30 A.M. Freshmen
— M — Zabrowsky.

"Not to be critical or anything, but if they asked us to be here at 7:30 then how come it's 8:15 and we're still outside?"

"Etymology 402? Lady, I don't even know what an etymology is, let alone how to study for one."

Lines . . . Hurry . . . Wait . . . Wait some more . . .

Start again. Program of studies card?

Final check at last.

Housing line. "Is this off campus housing? Red form, huh? "Why do you want to live off campus, son?"

"Guess I just don't like dorms." "Are you married?"

"No." "Well, are you sick then?" "Yes."

"What's wrong with you?" "I'm sick of the dorm."

"Do you have a doctor's excuse?" "No."

"Permission denied."

NDSL, EOG, work study . . . "how long have you been in this line?" Lord, there has to be another way. Finished at last . . . Now to relax.

Outside — RAIN.

RAIN . . . AT MSU

Rain and Morehead State University are synonymous.

From the time of arrival on campus to the time of departure it often seems that the educational processes are interrupted by rain. Broken umbrellas often fill the wastecans — marks of disgusted souls who have slogged along the many pathways of the campus.

Drizzle, showers, storms, mist, cold rain, warm rain, always rain, and the student continues about his classwork and other activities — watersoaked but unbeaten.

FALL AND CLASSES DON'T MIX

Fall's here! It can be felt in the cool nights, and the crisp early morning walks to new classes. The rustle of leaves as you walk causes little thought of assignments and term papers. Summer resolutions die and football is in the air. Fall's here — until the cold winds and late rains blow down the last color of the tress.

Fall and winter seem to run together and for a time the two seasons are indistinguishable. Its mostly cold. The days are short now that extra hours are needed. December demands papers and exams, but there is always a time to talk. Attendance in the library goes up. Its a time for conferences and critiques, anxious waiting and then its over. One semester down and one to go. How many more hours till graduation?

Winter arrives at MSU with the first snow and the instant appearance of sleds, garbage can lids, sprained ankles, broken legs, stalled cars and numerous snowballs.

But winter is more than the association of cold clean snow and rosy cheeks. More often it is dark hillsides, brown and sleeping; a cold which absorbs all sounds. Or perhaps the stark shadows of trees or watching the sun play on the back of a single bird in flight.

Christmas, basketball, semester break, exams and new classes seem to dominate discussions not related to the weather.

**WINTER — SHORT ON SNOW,
LONG ON COLD**

A HAPPENING OVC. PLAYOFFS

Kentucky Basketball. What Madness. The Super Sophs tie for the OVC title and the optimists begin checking flight reservations. The realists quote the odds but even they believe inside. Long lines for tickets, a rally (Complete with Officer Kirk leading the team bus) and then down to Frankfort. Western Falls. Look out Eastern!

Next night the same madness. Revenge was to be the order of the day. Leonard and Bubba hurt. The team tired. The visitors scoreboard lights couldn't go high enough. Oh Well — they were only Sophomores. Wait till next year.

AND WHEN IT'S SPRING

"Hey You! Get out of that bed! Spring is here!" That's Spring — S-P-R-I-N-G, and its accompanied by leaves and green grass, hopscotch, frisbee and the total student body heading for the lake on a sunny afternoon.

Spring is alive, wild and a good time for all, but spring is also a time for introspection. A quiet moment on a bench under a warm sun. Perhaps a simple wedding on a mountain-top. People together or alone, spring is the same for all and nobody wants to hide.

STUDENT COUNCIL ELECTIONS — PETE MARCUM DEFEATS WENDALL MYERS — SPRINGS BESTS EVERYONE

YOU HAVE TO BE CRAZY TO GO HERE

People gotta be crazy to go here. Where else can you find human beings dressed like this and playing like they do. A 23 year-old cavorting around in a puddle of water. Is it Halloween? Possible but not probable. Happy birthday Claude. When asked what he was doing dressed up like that, the dude with the case responded "Making a fool of myself I reckon."

EDITOR'S COMMENTS

It's over. Five years is a long time to spend in any one place but five years is what it took and now it's done.

The years spent as an undergraduate were well spent and full of the opportunity to associate with the best people — the staff of the MSU yearbook. Working on a yearbook staff is not a job but a way of life. The office is not only a working area but at times becomes a second home. Publications work affects you that way. It gets into your blood.

To the staff I would like to say thanks. Little else can be said about this past year at MSU. To Donna with her laugh and smile — Thanks. To Mike for his patience — Thanks. For John and Gayle — Thanks and good luck. It couldn't have happened without you. To Marty, Jan, Phil and Elaine — Thanks. Your help, time and friendship have a special meaning to me. To Alice — nothing can be said that would be adequate, but thanks anyway. To Martin — whose cool manner prevails over all confusion — Thanks, for all five years.

To the students of MSU a final word. A yearbook is more than a bound volume. It is an idea and as ideas are often presented in various ways so we attempt to present your yearbook in different ways.

Industrial Education Association

By becoming a member of the Industrial Education Club, one can prepare himself for a variety of experiences. The Industrial Education Club unlike many other academic organizations participated throughout the year in the intramural program. Representatives played in every intramural sport. Socially, this club sponsored two parties, a Halloween party and a pizza party; one per semester.

Each November the club takes part in the Kentucky Industrial Arts State Convention held in Louisville. The club organizes a display which is on a subject that is not taught in a regular class and that has not been displayed at the convention before. The entire club participates in the organization and the display of this entry.

For its service function the club went to the Woodsbend Boys Camp and presented a demonstration on craft work. The main purpose of this was to let the boys know that someone was interested in them. Several other trips have been made since that time, each one as successful as the first.

During career days on campus, the I.E. Club assists in conducting tours for the many visitors.

The two fund raising projects held this year included the Morehead Eagle Pennants and the printing of the student directory. Funds from these projects are directed toward scholarships.

Members of the club are: David Brafford, Joseph McGlone, Gary May, Larry Forman, Gary Arnett, Louis Tuttle, Jim Hazelbaker, Ed Nass, Rudy Vrbancic, Gary Hines, Joel Lewis, Richard Butler, Tom Smith, Eugene Strode, Jeff Murphy, Bob Fink, Thomas Dills, Phil Zhookoff, Wayne Magee, Norman King, Edward Stidham, Dennis Montgomery, Walt Orlowsky, Lynn Johnson, Jim Climer, Paul Davis, Kenneth Johnson, Mr. Tim Baker, and Dr. Robert Newton.

The varsity team of Ron Mather, Kathy Crusie, Susan Washburn and Pete Marcum took first place in four tournaments; Manchester College of Indiana, University of Michigan Tournament, Otterbine College and Morehead State University Eagle Tournaments. The team placed third and fourth respectively in the Tulane and University of Iowa matches.

The varsity switch-sides team of Ron Mather and Kathy Crusie was invited to attend the National District VI tournament at Emory University in Atlanta, Georgia as the final activity of the year.

Morehead State University's Novice Debate Team of Fred Schmidt, Pam Todd, Joe Fowler and Don Grigson placed first in Novice Tournaments at Western Kentucky and in the Morehead State University Tournament. Additionally, the team placed second at the Purdue Tournament and third in the University of Kentucky Matches.

The debate teams at Morehead State University are coached by Mrs. Julia Webb, who was cited by the Alumni Association as the Distinguished Professor at MSU during the year.

During the Christmas season, the organization visited the Morehead Girl's Center to provide gifts and entertainment for the residents.

In April the group held a tea for interested women on campus and as the year closed the MSU Chapter's nomination was selected by the Cardinal Key National Convention as the "Women of the Year." The Morehead State University chapter of Delta Tau Alpha was chartered in May, 1968.

Members are: James Walker, James Roger Daniels, Fred W. White and Oney Gifford.

The annual initiation of pledges into Kappa Omicron Phi was held during the organizations founder's day celebration. Members also worked quite successfully for the national charity project "Coupons for Crossmore."

Pershing Rifles

Pershing Rifles is a military organization made up of cadets from the Department of Military Science.

Through a spirit of friendship and co-operation the group provides the institution with a highly efficient drill team and color guard for all athletic events.

The group participated as a marching unit in the Golden Armor Festival and competed against other ROTC units in the First Regimental drill meet at Ohio State University.

First row: Neal Wilson, Jeff Murphy, Roger Cline, Ralph Gossett, Mike Stutler, Gary Stephens, Ed Hayes, Mike Harrell and Fred Fugate. Second row: Rick Roberts, Mitch Clark, Robert Shearer, Doug Stanley, Dave Goodman, Gary May, Allison Lake and Billy Doyle.

Members of the organization assist with the color guard and with other activities of the Military Science Department, and sponsor the annual Military Ball for the cadets of the department and the students of the university.

First row: Gary May, Mike Belknap and Ken Peterson. Second row: Lou Nicholls, Mike Warren, Gary Lee and Col. James Lowe.

Two events occupied the time of Kappa Pi members this past year. The group sponsored a traveling exhibition of student work in mixed media that covered several regional high schools. Members accompanied the show to answer questions on the works and to explain Morehead's art program.

In April the club held an Art Auction with pieces donated from students and faculty members. Net proceeds of nearly \$750 from the auction will be used for Art scholarships during the coming year.

Sigma Delta

Sigma Delta, an honorary organization for Health, Physical Education and Recreation majors, is perhaps best known for their service as ushers for all athletic events.

The group seeks to promote interest in the HPER fields by having open meetings with speakers on topics of specific interest to both members and faculty.

The fraternity sponsors a scholarship for a qualified student in HPER, and presents senior awards to both men and women for service in the field of HPER in conjunction with the awards day convocation.

Seated: Betty Hicks, Dick Feddermann, Kathy Smith, Connie Meek and Pam Saunders. Standing: Anne Hurst, Darlene Marcolini, King Pruitt, Patrice Sorenson, Linda McKinney, Mrs. Carole Stewart, Susan Raile, Diane Even and Lynn Moore.

Musical Organizations

Outstanding performances by all of the musical organizations at MSU highlighted the year in the Music Department as a record number of concerts and programs became history.

The Marching Band drilled for many hours before each football game as did all of the other groups before their performances. Often the practice sessions do not carry class credit and more often the extra individual practice sessions needed to produce award winning performances takes its toll of the study time for the students involved in the program.

Many of the organizations tour during the year and the Symphony Band played for the National Music Educators Convention in Atlanta, Georgia in March.

United Campus Ministry and Campus Ministers Association

The purpose of the Morehead State University campus Minister's Association and United Campus Ministry is to explore and expand opportunities for Christian service, learning, and dialogue among the organizations and the University community. Members give witness to the fact that, in spite of the scandal of denominational divisions, it is Baptism and faith in Jesus Christ that makes all men brothers and gives inspiration to work together in the service of the Gospel.

The member organizations often produce plays for the students and faculty.

Members are from left: Father Terry Jackson, Bob Dunaway, Fran DeJong and Rev. David Book.

Baptist Student Union

Vespers, plays, choir practice, summer missions, retreats, socials, and luncheons are just a few of the activities that make up the world of the Baptist Student Union. This organization, open to anyone, is constantly active in some form.

Every Wednesday vespers were held at the center. For six weeks on Tuesday nights, many students attended the Christian Life Institute under the leadership of Rev. David Book. Thursdays were luncheon days and anyone could go to the BSU and obtain lunch for only 50¢. As the need or desire arrived socials and banquets were held, as well as weekend retreats.

And, how many students visiting Florida over break, were surprised to see the MSU bus pull up filled with 56 fellow students? The BSU members practiced for many months for one of the biggest events of the year. A Florida tour of the musical drama "Hello World," which was later performed on campus.

All in all, this year was a highly active and successful one for the BSU.

Members are: Robin Ballard, Lennis Ballard, Alfie Plummer, Susie Bradley, Kay Salyer, Poki Wilson, Cheryl Cornette, Nina Oakley, Sandy Stephens, Judy Kinney, Jo Ann Perkins, Becky Logan, Beth Penn, Herman Cornette, Dale Sanlin, Gary Lite, Bob Miller, Jim Godby, Bennie Turner, Rev. Besides religious activities they have had hayrides, roller skating parties, a bike hike, and a church wide Golden Green Ball. Their major project this year was the presentation of two films "A Day for Justin" and "The Three Witnesses" which ran for four days in the latter part of April. All the others clubs on campus were invited to attend and asked to bring along as many friends as possible.

Members are: Mr. Hoffman, Marie Button, Paul Hoffman, Ted Toadvine, Rick Schneider, Deborah Sonder, Mike Moore, John Sonder and Mary Ann Frazier.

The Wesley Foundation

Travel is the word that depicts the Wesley Foundation.

Aside from the everyday get-togethers, ping-pong games, sing alongs, prayer meetings, and fellowship dinners, the students in this organization travel. This year the group has visited Methodist Churches throughout Central and Eastern Kentucky. On receipt of an invitation from such places as Cynthiana, Maysville, Lexington, and Ashland plus many more, an average of 15 students go to present a program on the Wesley Foundation and its work on the University Campus. The program consists of songs sung by "The Looking Glass," a talk by the Director, Bob Dunaway, a short play, "Who Cares Anyway," and a final prayer. This active group is located in the little white house near the ADUC that has a welcome sign on the door.

Members are: Toni Barrett, Sherry Bowe, Suzanne Martin, Diana Forbes, Steve Click, Marjorie Wentz, Peggy Hothem, Rhonda Cooper, Anne Wills, Roger Grace, Sue Grace, Linda Bramble, Donna Clark, Pam Mains, Karen Pickens, Debbie Dunn, Steve Englehardt, Cecelia Futch, Ken Sharp, Donna Jones, Susan Campbell, Howard Fryman, Bob Dumaway and Sharon Fryman.

Both the Christmas party and Easter egg hunt were given at the Frenchburg Boys Center in Menifee County. For the Christmas party all the club members participated in some way, however small: collecting items, wrapping presents, and making candy.

The Easter egg hunt was a big success with approximately twenty-five students in attendance. Along with candy and dyed eggs each child received a baby chick.

A retreat, reflecting on how the Father, Jesus, the Holy Spirit, and the Church all fit into our lives, was held on March 24-26 at a farm in Vanceburg, Ky. Also participating were some Glenmary Seminarians from Cincinnati. Newman Center continues to look forward to new and expanded activities for all students.

Student Government Association

The Morehead State University Student Government Association had a very busy year under the leadership of President Mike Mayhew.

During the year the SGA brought a record number of entertainers to the campus, and began expanding the entertainment offerings to the student body with movies and coffee houses on the weekends.

SGA also supervised the election of cheerleaders for the campus as well as the election of Homecoming Queen, the representatives to the University Senate and to the SGA, and the election of SGA officers for the 72-73 year.

Additional emphasis was given to the Student Placement Service of SGA during the year with expanded efforts being made to find employment for students.

Christmas saw the SGA sponsor the decorating of the campus tree and a caroling party for the student body.

Student Government Association

The Student Government Association is a voluntary association of students who are interested in the affairs of the University. It is the only organization of its kind in the state. The Student Government Association is a non-profit organization and its purpose is to represent the interests of the students of the University. It is a democratic organization and its members elect their representatives to the Student Government Association. Each week members met with j underprivileged children at BSU for tutoring sessions, games, and refreshments. The ages of the children ranged from five to fifteen.

At Christmas, upon receipt of names of children from underprivileged homes the West Room became Santa's Workshop for the CSV's.

Twenty children gathered there to have a happier Christmas. Santa Claus came for a visit bringing stockings filled with fruit and candy and presents of caps and gloves. Refreshments were donated by the cafeteria. This has now become an annual event.

During the spring semester the club sponsored three activities. They visited the Daniel Boone Convalescent Home, sold tickets as a money making project for the Earl Scruggs Concert, and raised funds for the Big Brother Program.

MOBU

One of several black groups at MSU, the Morehead Organization of Blacks for Unity, commonly known as MOBU contributed to the agenda of student activities in various ways, the most important being the Black Arts Festival.

The festival ran from Wednesday, March 1 through Saturday, the 4th. Beginning with a concert performed by the Black Gospel Choir on the first night. The next evening slides were presented by Dr. Perry Leroy of the History Department on "Africa Today," followed by a student showing of African Garments from Nigeria and Ethiopia.

A jazz concert came on Friday featuring Howard Smith, George Johnson, and Calvin Settles. This was followed by a production, "The Story of a Black Musician," directed by George Clarkson. The week ended with the showing of a film on drugs.

Diving Eagles

Under the direction of Allen Lake, the Diving Eagles have become one of the most efficient and respected organizations on the MSU campus.

The organization was formed to foster an interest in skin diving, to increase the knowledge of the members in the best techniques of underwater operation and to enhance the awareness of water safety.

The accomplishments of the Diving Eagles truly speak for themselves. Besides the many rescue missions they have expertly completed, the organization inbreeds competence into the daily maneuvers which they perform.

Black Gospel Choir

The Black Gospel Choir at Morehead State University was formed by black students with an interest in Gospel Music.

The choir made regular trips to area churches to per-

form and to tell the story of MSU to the congregations. Additionally, the group participates in many of the activities of the Campus Ministry at MSU.

Many special interest groups are recognized on the campus of Morehead State University. Some of these are related to academic areas while others have political motivation or have a particular concern for the members of the organization.

Soil Conservation Society

The Soil Conservation Club is a chartered chapter of the Soil Conservation Society of America. It is open to any person interested in conserving our national resources. The club sponsors the soil judging team and carries on activities promoting conservation. An individual who joins the club automatically becomes a member of the Soil Conservation Society of America and receives a subscription to the Journal of Soil and Water Conservation.

American Guild of Organists

The American Guild of Organists was officially recognized during the academic year with the acceptance of their constitution by the Student Life Committee of the University.

Trips to Berea College, the University of Kentucky, Eastern Kentucky University and Christ Church in Cincinnati were made by the guild members to hear recitals of organ music. The group also participated in and attended several organ recitals on the MSU campus.

Members are: Myron Doan, James Fitzpatrick, Terry Ensor, Mrs. Violet Severy and Randy Bonzo.

College Republicans

The College Republicans were quite active during the 1971-72 year as the Commonwealth of Kentucky elected state officials in the fall semester and the state primary campaigns were conducted in the spring semester.

Established as an organization to help students get first hand knowledge of the democratic processes of electing officials by the party system, the College Republican organization is quite active in each political campaign, and often brings the various candidates for office to the campus for programs.

Karate Club

The Karate Club of Morehead State University participated in a number of tournaments and other activities during the year as well as the usual weekly meetings for the purpose of instructing new members in the oriental art of self defense.

Roy Chai was the chief instructor for the group and meetings were held in the Laughlin Building where all members worked for advancement in the sport.

The members of the club attended the National Karate Tournament in Atlanta during the spring semester.

Many of the members come into the club from the Judo classes taught in the Physical Education Department by the club's advisor Bill Rosenberg.

Each year the club members attend several state and regional meets and always compete well against clubs from other institutions. The club and its members won several individual trophies during the year.

Members are: Mark Ruffner, Phillip Crump, Bob Ployger, Mike Felice, Jack Henderson, Doyle Kiser, Mike Taylor, Mike Kozad, Tony Ruehl, Clyde Wampole, Sam Spradlin,

Bob Kennard, Buddy Ratlif, Steve Hoff, Ruel Mann, Doug Carter, Gary Deaton, Bob Fink and Bob Rosenberg.

And So It Went . . . Greek Life

For the pledges, it all went slow. For the actives, well, they were glad they weren't pledges. After rush parties, pledge activities, and ritual, Greek were ready for the rest that never came. In fact, it went on and on with football games, a Lambda Chi Alpha watermelon bust and decatron, a Zeta Tau Alpha halloween funaree, a Delta Zeta slave sale, and a Delta Gamma carnival. And then, on it went.

And on Went the Activities

On into the winter trudged the pledges, with the hope of initiation as their stay. It was time for Christmas parties, charity drives, and good ole school spirit. And hopefully, spring was on its way. Oh no! Not Greek Week again?! With a new crop of pledges to carry the load, the distorted week began. Rain spoiled some events, but with the wonder of rescheduling, it all took place. And on it went, for over a "week."

And Greek Week Ended It . . . for Another Year

THE PRESIDENT

DR. ADRON DORAN

Dr. Adron Doran, one of America's most notable and highly honored university presidents, received another accolade for MSU at the end of the 1971-72 school year and it brought him great personal satisfaction.

President Doran was named Murray State University's "Outstanding Alumnus of the Year" and received the award at Morehead State's Golden Anniversary Alumni Awards Banquet in May. He holds two degrees from Murray and is a past president of their alumni association.

It marked the second time he has been cited by a Kentucky university as a distinguished graduate. The University of Kentucky, site of his doctoral study, bestowed the distinction in 1965.

The MSU chief executive is the dean of Kentucky's state college and university presidents and has served since 1954.

Mrs. Doran shared the spotlight at the Alumni Banquet when she received the "University Special Service Award" for her tireless work in founding and directing the Personal Development Institute at MSU. Earlier in the year, Mrs. Doran was presented the "Woman of the Year Award" by Cardinal Key National Honor Sorority.

So, for MSU's First Family, the year of 1971-72 was another year of hard work and, appropriately, of deserved recognition for their devotion to this institution.

PDI Adds Personal Enrichment Program

The Personal Development Institute reached into the high schools of the region during the 1971-72 year with the addition of the PEP classes to the already busy curriculum.

The Personal Enrichment Program was established to give qualified high school students in the area surrounding MSU an opportunity to obtain the benefits of the Personal Development Institute by attending a week-end meeting on the campus.

Mrs. Adron Doran, Director of the Personal Development Institute, conducted the program and was the principal instructor for more than one-hundred girls attending the first PEP session. She was assisted by Mrs. Don Flatt of the PDI staff and other members of the MSU faculty.

PDI classes continued to draw high enrollments through the year as students, staff and faculty members availed themselves of the opportunity to gain valuable instruction in both men's and women's fashions, job interview traits and personal conversational skills.

"Know, grow, go and glow" is the motto of PDI, and through the institute's classes the student gains poise, confidence and self-assurance for his daily endeavors.

SPORTS IN REVIEW

A share of the Ohio Valley Conference basketball Championship and the naming of a new head football coach were the major sports developments at MSU in the 1971-72 school year.

Basketballer Leonard Coulter won All-American honors and footballer Jim Edwards signed a pro contract with the Cincinnati Bengals.

Golfer Bill Spannuth made his third appearance in the NCAA tourney and wrestler Mickey Rzymek competed in the NCAA regionals as a freshman.

In the business of winning and losing, the Eagles fielded 12 intercollegiate teams in 10 sports and eight of them were victorious.

Winners were varsity and frosh basketball, football, soccer, cross country, baseball, tennis and golf. Breaking even were women's basketball and track. Recording more losses than wins were track and wrestling.

In OVC sports, MSU finished first in basketball, third in cross country, fourth in football, fifth in golf, sixth in track and eighth in tennis.

7-3 FOOTBALL RECORD IS BEST SINCE 1966

Last fall's football squad compiled a 7-3 record, MSU's best since 1966, but the big grid news came during the winter when Head Coach Jake Hallum resigned to join the staff at the University of Maryland.

Hallum coached the Eagles through four seasons and achieved a 22-17-1 record.

More than 80 applicants sought the vacant position and the suspense ended Feb. 3 when President Doran announced to a crowded campus news conference that 30 year-old Roy Terry, a former assistant at the University of Louisville, had been picked for the job.

Dr. Doran described Terry as "an outstanding young man with a fine football background and excellent personal qualifications."

Named later as assistant coaches on Terry's staff were Vince Semary,

another former U of L assistant; Tom Lichtenberg, former head coach at Cincinnati Purcell High School; and Roy Lucas, a former MSU gridder who had been coaching in Ohio. Remaining from the preceding staff was Dan Walker, offensive backfield coach and head wrestling coach.

Terry, a former standout quarterback at Western Maryland, comes to the MSU job after five years in college coaching and four years in the high school ranks. He spent three years at Louisville and two at Colorado State.

"This is a tremendous honor and I'm thrilled with the opportunity to coach at Morehead State University," the new head coach said. "There are great facilities and good personnel here and I'm very optimistic about the future of our program."

His high school experience included two years as an assistant at Baltimore City College High and two years as an assistant at River-

view High in Sarasota, Fla. He was a graduate assistant at Colorado State and coached the receivers.

Terry's jobs at the U of L included head freshman coach, varsity linebacker coach and defensive backfield coach. His secondary unit ranked fifth in the nation in pass defense last fall.

Semary, 31, was on the U of L staff for two years. He formerly served as head coach at Louisville Male High School and as an assistant at Louisville Flaget and Louisville Trinity. The new MSU assistant played at Kentucky.

Lichtenberg, 31, compiled a record of 45-11-3 in six seasons as head coach at Purcell and Mason, Ohio, high schools.

Lucas, 30, coached an unbeaten team last year at Miami Trace High School in Ohio. Earlier, he was head coach at Erlanger High in Northern Kentucky. A four-year letterman at Morehead State, he was graduated

in 1964.

As for last season, the Eagles again were prominent in final Ohio Valley Conference football statistics and in All-OVC selections.

Statistically, they led the league in three team categories and had individual leaders in three other departments.

MSU came up with the OVC's best total offense, 321.5 per game; best passing offense, 159.6 yards per game; and best rushing defense, 64.1 yards per game. They were second in total defense.

Individual leaders were senior split end John High in pass receiving, 49 catches for 571 yards and four touchdowns; sophomore quarterback Dave Schaetzke in total offense, 150.3 yards passing and rushing per game; and freshman tailback Jimmy Johnson in kick-off returns, 25.9 yards per return. Schaetzke was second in passing and senior wingback Mo Hollingsworth was the runner-up in punt returns.

Two Eagles — High and senior cornerback Mike Rucker — were named to the All-OVC first team. Listed on the second unit were Schaetzke and senior linebackers Harry Lyles and Ron Little. Four players received honorable mention, including senior linebacker Charlie Arline, senior offensive tackle John Slaughter, senior defensive end Jim Edwards and junior tight end Gary Shirk.

MSU finished fourth in the conference with a 4-3 mark and an overall record of 7-3.

Little was named MSU's most valuable player. He also received the 110 per cent trophy.

Lyles was voted the squad's best defensive player and a co-winner of the "Bellringer" award for play against enemy quarterbacks.

Other awards included Slaughter, best blocker; Rucker, scholarship-leadership; Schaetzke, best offensive player; Edwards, "Bellringer;" sophomore offensive guard Chuck

Steiner and junior free safety Ernie Triplett, most improved; and junior placekicker Kirk Andrews, "big play" award.

The Eagles broke or tied 26 school records during the campaign.

Jim Edwards later signed a professional football contract with the Cincinnati Bengals of the National Football League.

The 6'4", 210-pound defensive end and linebacker was a four-year starter for the Eagles and received honorable mention last season in All-Ohio Valley Conference balloting.

As for this fall, Coach Terry will have 33 lettermen returning but must replace 10 starters, seven on defense and three on offense. He says his outlook is "even better than expected" because of the emergence of several promising young players in spring practice and the signing of 19 recruits.

"We lost 20 seniors from last year and that's a lot of shoes to fill," he

CAGE TEAM SHARES OVC TITLE

"It was a thrilling experience and a great example of what talent and dedication can accomplish." MSU Head Basketball Coach Bill Harrell didn't mince any words in reviewing MSU's 16-11 campaign which produced a tie for the Ohio Valley Conference championship.

"We probably had the most successful sophomore-dominated team in this league's history," he added.

Harrell agrees with OVC sports writers who have said his program came of age a year ahead of schedule.

"We honestly didn't expect to win a championship this year but these players refused to quit and kept gaining more poise as the season progressed," the Eagle mentor said.

Harrell said he was very proud of his squad's play in the OVC play-offs. The Eagles defeated Western Kentucky, 82-79, in the first game and lost to Eastern Kentucky 98-86,

the next night.

"Much will be said and written about our five starters but there are three other young men who were especially valuable to us in clutch situations," Harrell added. Abell, Lowell Ashby and Ken Noll each did a fine job of coming off the bench and lighting the fire."

Harrell said the squad's other three members — Eddie Conley, Ike Unseld and Joe Stallworth — "worked hard in practice all year to keep the regulars on their toes."

Last season's record gives Harrell a 37-39 mark in three seasons at the MSU helm.

Coulter was named to the "All-American Sophomore Team" selected by "Basketball Weekly," a national publication based in Detroit.

The 6-5 forward from Danville was listed among the nation's top 15 sophomores, including Bill Walton of UCLA and Tom McMillen of Maryland.

He was named the OVC's "Sophomore of the Year" and to the All-OVC squad after leading the league

14

15

in rebounding with 14.2 per game and finishing second in scoring with an average of 24.1.

Coulter was voted the "most valuable player" in the New Castle Holiday Festival which the Eagles won last December. He became MSU's highest scoring sophomore in history, eclipsing the old mark by nearly 200 points.

Other MSU sophomores winning post-season honors were Howard Wallen, a member of the All-OVC team, and Eugene Lyons and Bill Dotson, each given honorable mention in All-OVC balloting.

Coulter, was named MSU's most valuable player.

Other team awards included Wallen, best playmaker; Dotson, best defensive player; Lyons, "Eagle" trophy for hustle; Ron Nicholson, "Mr. Rejector" trophy for most blocked shots; Bubba Abell, outstanding substitute; Eddie Conley, outstanding senior; Lowell Ashby, scholastic trophy; and Arch Johnson, outstanding freshman.

Nine school records were broken and another tied last season by the

16

17

surprising sophomores.

The Eagles erased five individual records and four team listings en route to a share of the Ohio Valley Conference championship and a scoring average of 91.4, good for ranking in the nation's top 10 offensive teams.

Coulter set two records — most points as a sophomore, 651; and most consecutive field goals in a single game, 13. He made two entries in MSU's "40 or More Club" by scoring 42 points against Tennessee Tech and 40 against East Tennessee.

Nicholson established new marks with 12 blocked shots against Toledo and 104 for the season. Wallen rewrote the season mark for assists with 169.

Coulter's record-breaking point production made him only the fifth MSU cager in history to score 600 points or more in a single season. The others were Dan Swartz, 828 and 651, Granny Williams, 705; Steve Hamilton, 654; and Jim Day, 609.

18

FROSH TEAM HAS 12-6 RECORD

Morehead State University's freshman basketball team closed its season on a winning note by defeating Ohio University's frosh 90-81 to bring the season record for the Little Eagles to 12-6.

Arch Johnson, a 6'5" forward from Breathitt County lead the team with 474 points on the season, breaking Leonard Coulter's mark of 431 in 17 games during the 1970-71 season.

"We have several players who can contribute a lot to the varsity next year," said Coach Jack Black. "They can provide needed bench strength or maybe give some of our starters a good run for their jobs."

Black praised the outstanding shooting of Johnson, who hit more than 56 percent of his field goal attempts. He also said that guards James Washington of Frankfort and Glenn Turner of McDowell can be "assets" next year.

Mark Hudson, a 6'10" center from New Richmond, Ohio averaged 19.8 points and 10.7 rebounds per game while Eugene Frye, a guard from Luray, Va. suffered an injury during the last six outings. Black also applauded the "hustle and enthusiasm" of the team's sixth man, Larry Brown of Hazel Green.

SOCCER TEAM RECORDS 6th WINNING SEASON

The MSU soccer team completed its sixth straight winning season and was undefeated in eight games against Kentucky colleges.

The final record of 8-4-1 included a second place finish in the Kentucky Intercollegiate Soccer Association Tournament at Louisville. The Eagles dropped Bellarmine, 2-1, in first round play but lost by the same score to Cincinnati in overtime in the championship game.

"We felt it was a very successful season," said Head Coach Mohammed Sabie, who has compiled a 46-13-4 record since MSU began intercollegiate soccer in 1966.

Dr. Sabie has special praise for the leadership and defensive play of his senior co-captains, George Buck of Louisville and Randy Shelton of Ashland. Also singled out were the team's top two scorers, junior Jim Williams who tallied 11 goals and freshman Vic Pinion who had nine.

MSU recorded regular season wins over Kentucky, Louisville, Centre, Berea, Murray State, Asbury and Transylvania. Losses were to Dayton, Morris Harvey and Cincinnati. The Eagles tied Fairmont State. On the year, they outscored the opposition 32-18.

26

27

MSU RUNNING TEAMS IMPROVED IN '71-'72

Dr. Earl Bentley's cross country team ran to a third place finish in the Ohio Valley Conference, MSU's highest ever, and racked up a 7-1 record in dual and triangular meets.

Also, they had a first and a second in the only two tournament meets of the season.

Senior Dan Price, the captain, and sophomores Ron Pontrich and Jack Sivori were MSU's top challengers in the individual competition.

Other top MSU performers were juniors Nick Tsanges and Hosea Johnson and freshman Dennis Schafer.

The Eagles defeated the only two OVC schools they faced in the regular season. Eastern Kentucky was victimized twice in dual meets and Western Kentucky was beaten in the Southern States Invitational.

Morehead State University's track team made its best Ohio Valley Conference showing in seven years in the OVC Spring Championships at East Tennessee.

Dr. Earl Bentley's cindermen scored 12½ points to repeat their sixth place finish of last year. However, the point

total was the highest since 21 in 1965.

Three seniors, a junior and a sophomore put MSU into the scoring column this year. Junior Bill Hudnall of Paris placed second in the pole vault for the highest Eagle finish. His vault of 14 feet, 6 inches marked the fourth time he has tied the school record he shares with Perry Johnson.

Taking third places were senior Terry Beckham of Louisville in the triple jump and senior Hosea Johnson of Lexington in the 880-yard run. Beckham rewrote his school record for the third time this spring with a jump of 50 feet, 9½ inches. Johnson covered the half-mile in 1:52.6, one-tenth of a second off his school record.

Senior Dave Neely of Dayton, Ohio, was fourth in the high jump. His leap of 6 feet, 8 inches was the eighth tie of his own school record. Sophomore Ron Pontrich of Louisville was fifth in the mile run with a time of 4:15.2.

Other school records were broken this season by senior Dan Price of Tiffin, Ohio, with times of 4:08.7 in the mile and 14:10.3 in the three-mile.

INTRAMURAL PROGRAM ATTRACTS RECORD NUMBER

Intramural athletics at Morehead State University continued to attract a large number of students in all areas throughout the academic year.

Several records were broken by teams as well as individuals during the year, and "Activities Awards Day" saw the largest number of trophies ever awarded to intramural participants.

Lambda Chi Alpha Fraternity won the participation trophy while Phillip McNally and Rachel Oskins took the Intramural Officials Awards. The Earl Smith Award went to George (Bud) Coffey and Sharon Buconocore.

Pam Saunders won the Intramural Woman of the Year Award, Bob Wright took the Fraternity Man of the Year Award and Jerry Edwards captured the Independent Man of the Year.

GRAPPLERS END SEASON 3-8

Youth and injuries took their toll of the MSU wrestling squad last winter as Coach Dan Walker's Eagles finished with a 3-8 record.

The MSU matmen achieved victories over Morris Harvey, Cedarville and Maryville and sent two grapplers to the NCAA regionals.

Freshman Mickey Rzymek of Toledo, Ohio, turned out to be the year's sensation with a 17-4 individual mark, including a 2-2 slate in NCAA competition.

Senior Dave Bostleman of Dayton, Ohio, finished 10-3-1 and also competed in the NCAA preliminaries. Other noteworthy individuals were freshman Mike High of Finneytown, Ohio, 7-5-1; sophomore Vince Aiello of Hagerstown, Md., 6-3-1; and junior Steve Morgan of Indianapolis, Ind., 6-6.

SWIM TEAM SETS RECORDS

A winning streak and a losing streak made up the MSU swim schedule last winter as Coach Bill MacI's tankmen finished with a 5-5 record.

The Eagles won their first five meets of the year, dropping Louisville, St. Louis, Centre, W. Va. Tech and Morris Harvey.

The Eagles finished fifth in the Kentucky Intercollegiate Swimming Championship at UK and third in the Morris Harvey Relays at Charleston, W. Va.

Two school records were set in the KISC. Freshman Brent Lange did the 100-yard breast stroke in 1:07.0. The 400-yard free relay team of Ken Watkins, Larry Ridgeway, Mike Gooch and Jack Abeln clocked a 3:22.5.

GOLF TEAM TAKES OVC 5th

Bill Spannuth of MSU finished third in the Ohio Valley Conference golf tournament and made his third straight appearance in the NCAA tourney.

The Anderson, Ind. senior, who won the OVC in 1970 as a sophomore and finished 12th in the NCAA, made a strong bid for the conference title this year but fell four strokes short.

However, his effort helped MSU take fifth place in the team standings at East Tennessee's Buffalo Valley Country Club.

Coach Ed Bignon said he was "generally pleased" with the season which left his Eagles with a 4-3 record in dual, triangular and quadrangular matches.

MSU finished a close second in the Kentucky Intercollegiate and sophomore Charlie Doran of Central Square, N.Y., was the individual titlist.

He defeated Norm Barnhart of Kentucky on the first hole of a sudden death playoff to capture the title in the first annual tourney.

NETMEN COMPILE 7-6 RECORD

Morehead State University's tennis squad compiled a 7-6 record in the regular season but again finished eighth in the Ohio Valley Conference.

Coach George Sadler said he was disappointed that rain washed out the OVC tournament which resulted in the conference standings being based on season play only.

The Eagles, with five new players in the six-man lineup, were 6-0 against non-league foes and 1-6 in OVC play with a win over East Tennessee.

Three MSU starters came up with winning records. Finishing at 7-6 were sophomore Tracy Crew of Huntington Beach, Calif. in position No. 2, sophomore Mike Purtz of Hialeah, Fla. in No. 6 and freshman Charlie Pierce of Cincinnati in No. 5.

The No. 1 doubles team of junior Craig Orr of Garden Grove, Calif., and freshman Bill Spell of Deland, Fla., also compiled a 7-6 mark.

RAIN CANCELS 17 GAMES FOR BASEBALL TEAM

Shortstop Bob Ison, a junior from Ashland, was voted the Eddie Wallingford Trophy as MSU's most valuable baseball player of 1972.

Ison, a former All-Stater at Ashland High, led Coach Sonny Allen's Eagles to an 11-9-1 record with 27 runs batted in, six doubles and a .354 batting average.

The Wallingford Trophy is presented annually by Delta Tau Delta social fraternity. It was named in honor of the late Eddie Wallingford, the Ohio Valley Conference "baseball player of the year" as a sophomore in 1969. He was killed the same year in a hunting accident.

Also receiving votes were junior rightfielder Mark Dille of Dayton, Ohio who led the squad in hitting with a .405 mark and junior centerfielder Steve Baker of Owensboro

who batted .311 and scored a team-high 23 runs.

Freshman righthander Jeff Garmann of Wilmington, Ohio topped the MSU moundsmen with a 4-0 record. Senior lefthander Tom Miller of Monroeville, Ohio, had the best earned run average, 2.66.

Allen, who completed his 11th season as MSU's baseball boss, said he was pleased with the campaign in spite of weather problems.

The Eagles were rained out of 22 games and 17 could not be rescheduled.

Allen said he is optimistic about newly-adopted fall baseball in the OVC, noting that "it might eliminate some of the weather factor."

Ison and Dille were named to the All-OVC squad at season's end.
